### A. Preamble:

The University Grants Commission have realized the need for a close linkage between Higher education Institutions and Universities in terms of research and academic activities.

Government Vishwanath Yadav Tamaskar Post-Graduate Autonomous College, Durg is a leading higher education institution in Chhattisgarh, established in 1958. Presently, it is affiliated to Hemchand Yadav University, Durg. The college has been conferred with the status of autonomy by UGC in 1989. It is accredited with grade 'A+' by NAAC in the third cycle, and has been recognized by UGC as 'College with Potential for Excellence' (CPE), receiving the grant under IIIrd Phase of the scheme. Five departments from faculty of Science and one from Social Science have been identified by UGC under CPE scheme as highly rated departments. The institute has been shortlisted and recognized under DBT Star College Scheme by the Department of Biotechnology (DBT) Govt. of India. Under this scheme 6 departments from faculty of Science have been selected for providing financial support. The Department of Chemistry was recognized for improving Science and Technology Infrastructure (FIST) Scheme by Department of Science and Technology, Govt. of India. The department of Microbiology is running under self-finance scheme and makes available around 50 undergraduates and 25 post graduates per session. The college has the distinction of being one of the 20 prominent institutions across the country to have been selected for providing suggestions on National Higher Education Qualification Framework (NHEQF) of India.

The Bastar Vishwavidyalaya (BVV) is a premier institution of post graduate teaching and research in the state. It was established by an Act of 02-Sept. 2008. BVV is one of the major institutions of higher education in Bastar Regions, predominated by tribal communities. The campus is located near Dharampura-2 in Jagdalpur, has immense bio-diversity and a place of silent learning which give the campus a natural beauty. With the main motto, BVV is growing up to enhance the capacities of the disadvantaged and preserve the human values for future generation. The BVV has built up a reputation for providing high quality academic training and has been recognized through a number of awards. School of Studies in Biotechnology was established at Bastar Vishwavidyalaya under the faculty of Life Sciences with the aim to disseminate modern and technical knowledge among the students of Bastar region. The department aspires to keep improving its infrastructure facilities, including instrumentation in the modern areas of Biotechnology and contribute to the
