Study Tour/ Attached with Agencies or Communi ty (One Week)	Study Tour will be organized to provide exposure to the students about the socio-economic, political and cultural situations and problems of Society. The study tour will be organized under theguidance of the faculty members. Attendance of study tour is compulsory. Besides, the performance, behavior and learning reflection of each student during tour will be taken in to consideration at the time of final assessment of field work done by the respective faculty supervisor/instructor based on the reporting of Tour-in Charge./ Students will work at an agency or work in the community for a week.	An	CO1 & CO2
Block Placement	Students will be required to undergo one month block field work/internship training in a social welfare agency or corporate house under CSR initiative as per their area of interests. It is treated more as pre-employment experience. The block field work agencies or projects will be selected with the consent/choice of students. A student has to start the block field work on the date specified by the Department. After block field work/internship, a student will be expected to submit report to the Field Work. Successful completion of block field work/internship training is mandatory before the Master of Social Work degree can be awarded.	Ap	CO3 , CO4 & CO5
